

# RhumbLine guides the way.

Founded in 1990, RhumbLine Advisers Limited Partnership is a Boston-based investment firm specializing in managing index-based strategies for institutional investors. RhumbLine delivers flexible and personalized client service to accompany its low-cost, passive management.

As an employee-owned firm, we focus 100% of our attention on satisfying the diverse needs of our clients.

As of 03/31/2019, RhumbLine manages \$56.5 billion in equity and fixed income assets for 226 clients. [Read More »](#)

## [Latest News & Information](#)

RhumbLine Advisers welcomes **Lisa A. Sheeler** as Chief Compliance Officer & General Counsel ([Announcement](#)).

## [Our Index Strategies](#)

We manage portfolios to track the investment performance of a client specified index. That index may be commercially available or created by RhumbLine, depending upon client requirements.

## [Our Team](#)

Owned 100% by employees, our firm's key focus is on client satisfaction. We are committed to delivering attentive client service while providing low-cost passive investment management.
