

ABOUT NISA

FOCUS IS OUR GREATEST ASSET.

NISA works exclusively with institutional investors to manage portfolios in a limited number of areas: investment-grade fixed income, index-like equity, and derivative overlay strategies. Customization and risk management are central to our approach.

ABOUT NISA

STATEMENT OF PURPOSE

We've always aimed to do things a little differently than the rest of the industry. Our goal is a simple one: understand and serve our clients. As a 100% employee-owned firm, we can afford to take the long view when it comes to our client and employee relationships.

David G. Eichhorn, CFA

President and Head of Investment Strategies

EXPERIENCE AND EXPERTISE.

NISA's senior team offers a depth of knowledge and experience. Many members of our senior leadership have spent the majority of their careers at NISA.
