

Are you taking too much risk...
or not enough risk in your portfolio?

Find Out Today >

Welcome

Harris Financial Advisors is a leading wealth management firm centered on investment management and advanced financial planning. Since 1992, we have built our practice on the hallmarks of commitment and dedication to our clients and their aspirations.

We believe collaboration, transparency, trust and education are the cornerstones of a meaningful partnership. As an independent Registered Investment Advisor, we pair intelligent portfolio design with coordinated planning to empower our clients to make informed life decisions.

Does Your Portfolio Represent You?

Our Second Opinion tool helps you to pinpoint your Risk Number®, a direct reflection of your values and core beliefs in portfolio form. You don't want to find out that you've been taking on too much risk in your investing after the stock market drop occurs. That can leave you reeling with self-doubt, anxiety, and uncertainty.
