

Investments in harmony with youSM

Opus Investment Management is an SEC-registered investment advisor dedicated to providing financial performance tailored to the specific needs and risk appetite of the clients we serve. Opus empowers its clients to become strong advocates for their portfolios, while we navigate operating constraints, regulatory issues, and rating agency considerations.

Compositions

Over the last decade, we have seen the concept of performance evolve from a mere calculation of investment returns to a significant part of the investment process. Whether you are a consultant, client, or asset manager, it has become increasingly important to know how your assets are being evaluated...
