

Welcome to Hoisington Management

Economic Overview

Hoisington Investment Management Company (HIMCO) is a federally registered investment advisor located in Austin, Texas. HIMCO is also registered with the Ontario Securities Commission. HIMCO is not registered as an investment adviser in any other jurisdictions and is not soliciting investors outside Ontario, Canada or the U.S. Registration does not imply any level of skill or training.

HIMCO has over \$4 billion under management, composed of pension and profit sharing plans for both corporate and government entities, charitable organizations and insurance companies. HIMCO is also the sub-advisor for the [Wasatch-Hoisington U.S. Treasury Fund](#), a no-load mutual fund distributed by ALPS Distributors, Inc.

Hoisington Investment Management Company focuses on long-term investment strategies that utilize only U.S. Treasury securities. This style of management allows the firm to offer liquidity, diversification, capital preservation and the ability for attractive returns.
