Focused Business Model

Pathway is 100% partner owned and focused solely on investing in what it believes to be high-quality private market managers. As a private market specialist with no other lines of business, Pathway is devoted to the development of private market portfolios and strives to deliver exceptional returns and service to its investors.

Private Market Highlights

1Q19 Market Review

Global equity markets rallied sharply in the first quarter of 2019, reversing much of their losses from the prior quarter. The MSCI All Country World Index gained 12.3%, the strongest quarterly performance for the index in nearly nine years....
