

We are Sierra Capital.
An Independent Global Multi-Family Office
based in New York.

Independent
Privately owned
No conflict of interest

Personal CFO
Client's personal
financial representative

Expert Team
Over 160 years of
combined experience

Our responsibility is to provide personal Multi-Family Office & Investment Advice to our clients and to represent their families and foundations in the global financial community. Because we are privately owned, we work free from the conflicts of interest that arise in traditional private banking. We are Sierra Capital and we are truly independent financial advisors.
