"Valuation Matters"

The EDMP, Inc. logo represents the very heart and soul of both our firm and our sound investing philosophy. Our logo is a graphic illustration of our powerful, proprietary EDMP, Inc. F.A.S.T. Graphs™ that clearly articulates the undeniable relationship and functional correlation between long-term earnings growth and market price. Additionally it represents the quintessential example of an excellent company. Herein lies the primary differentiator between our firm and others.

The EDMP in our logo is an abbreviation for **Earnings Determine Market Price**. The acronym signifies our confidence that we can thoroughly answer the critical questions of : "what to buy?, when to buy?, and when to sell?" and represents the doctrine that drives our investing process.
