Welcome to James Investment Research

President's Vision

To be recognized as the best investment firm in America.

Because we try to follow God honoring principles, we will spearhead a dramatic improvement in the reputation of our industry.

The investing public will finally have peace of mind because all firms will put their clients' interests first and will achieve their financial goals.

Mission

Our team of professionals is committed to providing clients with peace of mind through time-proven research, premier service and consistently superior investment performance.

We are dedicated to supporting and respecting one another and our community, which we believe will provide the rewards of continued growth and shared profitability.

JIR Guiding Principles
