## [Small Business Retirement](#)

[As a Small Business Owner your time is very valuable to you. Let Capital Management Advisors simplify your retirement plan so you will have more time to run your business. Whether you are self-employed or have 50 or more employees, our investment professionals can assist you in setting up and managing a plan based on your needs.](#)

## [Welcome to Capital Management Advisors](#)

We at Capital Management Advisors have been providing our clients with independent, fee-only asset management for over 20 years. Our firm was founded on the simple principle that we put each client's interests first, helping each client to achieve their financial goals. Since our clients are individuals, businesses and institutions seeking objective advice and a [Read the Rest...](#)

## [Retirement Income Planning](#)

Retirement tends to be the part of life that most people look toward after their working days are through. However, the face of retirement is changing.

[View Details](#)

## [401\(k\) Rollovers](#)

Compared with employer-sponsored retirement plans, a 401(k) rollover can give you a broader range on investment choices and more control over your assets.

[View Details](#)

## [Small Business Retirement](#)

Employer-sponsored retirement plans can be a great tool to help retain key employees. At Capital Management Advisors we can help you in setting up a retirement plan.
