[Is the Eurozone Fated to
Japanification?](#)

For some investors, the eurozone's low growth and low inflation environment today is reminiscent of Japan's own historical post-financial crisis challenges.

Where are the Job Opportunities and Who Can Fill Them?

Jun 04, 2019 | PDF

With the May jobs report due this Friday, we expect hiring activity in the U.S. to remain positive, evidenced in job openings outpacing the total number of unemployed individuals in the U.S.

Our approach

We feel your challenges as intensely as you do.

The problems our clients face keep us up at night, too. To help solve them, we draw on the deep experience of our investment teams, disciplined risk management, and conviction that thinking differently can help build better outcomes.

[Learn More About Us](#)

Wells Fargo Asset Management (WFAM) is the trade name for certain investment advisory/management firms owned by Wells Fargo & Company. These firms include but are not limited to Wells Capital Management Incorporated and Wells Fargo Funds Management, LLC. Certain products managed by WFAM entities are distributed by Wells Fargo Funds Distributor, LLC (a broker/dealer and Member [FINRA](#)). Research our firms with FINRA's [BrokerCheck](#).
