M&A ENGAGEMENTS

## How We Can Help You.

### CAPITAL ADVISORY

We offer objective, conflict-free advisory services to not-for-profit healthcare providers seeking confidential support in capital market transactions.

[Learn more](#)

### M&A

Ponder & Co. actively assists clients in implementing strategic change for not-for-profit healthcare providers

[Learn more](#)

### MANAGEMENT CONSULTING

We help clients convert issues into opportunities, inefficient processes into best practices, and marginal outcomes into sustainable results.

[Learn more](#)

## DERIVATIVES

We give our clients independent advice to determine the suitability and risk related to interest rate swaps or other derivative products.

[Learn more](#)

## INVESTMENT MANAGEMENT

Our team provides fixed income investment management solutions for healthcare institutions, universities and other not-for-profit institutions.
