Portfolio Management for Individuals, Businesses, and Organizations

Our firm was started in September 1970 by Thomas H. Clutinger and Louis E. “Ed” Williams. Our goal has always been to not only invest for our clients but to educate them on why investment decisions are made based on their goals and risk tolerance. Our current President & CEO, Scott B. Williams, CFA, CFP, joined the firm in February of 1995. After 30 years in downtown San Diego, we moved to our current location in March of 2001.
