Expert and Objective Solutions

We offer expert and objective investment management and advisory solutions to governmental, institutional, and individual client portfolios, tailored to each unique client's need and situation.

Independent Research

We focus our research efforts on the core asset classes to build high-quality portfolios using individual securities and time-proven investment strategies.

Diversified Investment Strategies

We act as fiduciaries and risk managers for our clients, and each of our diversified investment strategies focuses on preservation of capital, liquidity, income, and superior risk-adjusted returns.

Transparency and Accountability

We place the highest priority on communication, service, and accountability in every relationship, as well as transparency, efficiency, and performance of each portfolio.

About Us

Reliant Investment Management, LLC is an independent investment advisory firm providing customized portfolio management based on personal relationships with each client.
