Our Community Stories

Zoolens Photography Project

Every year, Middle School students in Miami-Dade County are encouraged to visit Zoo Miami, take a photo of their favorite animal, and submit it for a chance to win big!

Throughout Amerant Bank's almost 40 year history, it has been our mission to give back to the communities we serve, with a special focus on positively influencing the arts and education. Established back in 2010, we are very proud of the ZoolensSM program and grateful for the opportunity to take part in inspiring our community's students in a meaningful way.
