OUR FIRM

Seahorse Advisers

Seahorse Advisers manages finances for families worldwide who desire US dollar investments lodged in the United States.

Our portfolios are designed to generate regular income even in periods of abnormally low interest rates and provide permanent and secure capital for the family heads and, if they wish, for heirs.

Edvard Jorgensen, President of Seahorse Advisers, is an investment manager and attorney licensed in the State of New York. He is a graduate of Harvard College (Phi Beta Kappa, Magna cum Laude) and Harvard Law School (cum Laude) and is the former editor-in-chief of the Harvard International Law Journal.

Mr. Jorgensen practiced law with the New York City law firms of Lord Day & Lord and Patterson Belknap Webb & Tyler before establishing Seahorse Advisers.
