## Understand how capital markets work for you.

### Clariss' Philosophy

#### Volatility Continues as Trade Tensions Remain High

Coming off years of strong investor confidence, volatility has become the name of the game. 2018 was a hard year for equity markets when, for the first time in almost...

#### Pouring Cold Water on the Bucket Investing Strategy

The bucket strategy is a commonly used investment strategy, dividing a retirement portfolio into at least two different accounts. One account is invested in a more aggressive manner for future...

#### Ask Claris: Why Do You Use Only One Mutual Fund Company to Manage Portfolios?

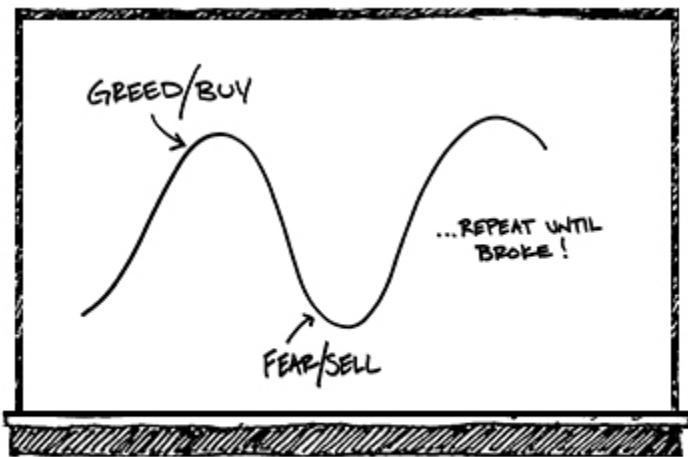

It's not unusual for someone to ask us why we exclusively use one mutual fund company to manage our clients' portfolios. The simple answer: it's based on planning and implementation....

## We clear the way to smarter investing.

At Claris Advisors, we help individuals, institutions and retirement plan sponsors understand the forces driving the market. We believe this is the best foundation for a solid, long-term investment plan. A plan based on academic research, not Wall Street hype. This is the secret to bringing clarity – and calm – back to your financial life.

**Understand. Invest. Relax. Only with Claris Advisors. [See how.](#)**
