Evanston Capital Management, LLC (“ECM”) is an alternative investment management firm focused on providing multi-manager hedge fund programs for institutional and high net worth investors. Formed in 2002, ECM manages a variety of strategies emphasizing more concentrated portfolios, and ECM seeks to identify portfolio managers in which ECM has gained high conviction. ECM manages commingled funds and offers customized solutions to clients looking to tailor their hedge fund program. ECM has approximately 200 institutional investor relationships and approximately \$3.5 billion in assets under management as of June 1, 2019.
