## Even Warren Buffett Gives Some Questionable Advice!!

By Ted Schwartz, CFP In 2013, according to the online database Investopedia, Warren Buffett told investors that his wife's trustee had simple instructions for investing her inheritance. The instructions were to invest 90% of her money in a low cost S&P 500 Index\* ...

## The Climate And The Markets Are Misaligned

By Ted Schwartz, CFP® Last year was one of the warmest years on record, but almost all investment markets were ice cold. Unless you only held cash last year, it was a painful time for your portfolio. By last Christmas things looked as grim as they could be and there...

## Spring Has Sprung

While ongoing home maintenance is a must, the change of the season provides a good opportunity for some extra special attention to your home. Make a list and pick a weekend to check off all of the items. For a starting point here are some areas to focus on in the...
