Investment consulting delivering comprehensive resources, customized planning, and responsive service.

Capital Cities, LLC

Capital Cities, LLC is an investment advisory firm committed to providing comprehensive consulting solutions to institutional clients, including public funds, retirement plans, foundations, endowments and operating funds. Our sole focus is to deliver objective advice based on proactive thinking. We strive to provide a framework for success across all aspects of our clients' fiduciary duties, so they have the opportunity to make improvements in performance and risk management and might enjoy administrative ease and reduced expenses.

Founded in 1998, Capital Cities has the experience necessary to navigate the ever-changing investing market. Additionally, our commitment to providing the highest level of client service reflects the Midwestern values ingrained in our seasoned professionals. Through our focused size and independent structure, Capital Cities is able to provide customized, high-touch and forward-looking solutions to our valued clients.

We hope you will enjoy the photos throughout our website representing the communities we have the pleasure to serve.
