

Trusted investing for a lifetime.

Covington Capital Management is an independent investment advisor delivering customized wealth management services to high net worth individuals, families, and institutions. Now more than ever, clients need honest and objective investment advice, confidential personal attention, and investment returns that meet long-term objectives.

Uncle Warren - In this quarter's letter we provide some of Warren Buffet's wisdom on long-term investing and also share with you well known companies that he purchased under the Berkshire Hathaway umbrella.
