

## Financial Planning and Investment Advice

US-SEC Registered Investment Advisor | We invest your money the way we invest our own money: balanced, disciplined, successful

Our services are provided on a fee-only basis.

Our independent, professional advice and services are never in conflict with your investment goals. +

Our advice is untainted by an agenda to sell commission-based products.

At Freeman Capital Management you will always receive objective, professional service. +

### THE 3 QUESTIONS YOU MUST ASK

What are the questions you simply must ask if you are going to get financial advice from a financial advisor. Anyone who purports to be a legitimate financial advisor should be willing to stand behind these claims.

- Are you legally obligated to act in my best interests at all times? +
- Will you disclose all potential conflicts of interest? +

In what ways are you compensated?
