Our Mission

MCA is focused on providing portfolio management services that complement each client's unique situation. Clients benefit from our investment **discipline**, which is time-tested and backed by academic theory; our approach to investing, which strives for **balance** between preserving capital and maintaining long–term purchasing power; and our broad **perspective**, honed by decades of global capital markets experience.

Who are the PEOPLE at MCA?

How does MCA MANAGE portfolios?

Who We Are

Maryland Capital Advisors (MCA) provides portfolio management and wealth planning services to select clients, including high net worth individuals, families, family offices, trusts and company retirement plans. We are an independent, SEC-registered investment advisor.

Our expertise and resources are focused on what we do best – helping clients enjoy and protect their lifestyles and reach their long-term investment goals by designing and implementing customized investment plans that are managed with an eye toward tax efficiency.

Frequently Asked Questions (FAQs) »

Clients benefit from our low-cost approach to investing as well as our ability to coordinate with their other trusted legal and tax advisors to integrate the investment management process into their overall estate, tax and other financial planning.

We invite you to explore if we can be your trusted advisor.

Experience + Passion

"What differentiates MCA is our unique combination of academic and Wall Street experience plus an innate passion for helping our clients. This perspective reinforces and strengthens our ability to help clients manage their financial lives, while our passion ensures that we are always on their side. We partner with clients to synchronize their financial lives with their personal goals."

Mike Damas, President
Maryland Capital Advisors Inc
