

ABOUT US

Capital Markets IQ (CMIQ) is a full-service, independent Registered Investment Advisor. We exist to serve those needing a financial advocate.

CLIENTS

We are your financial advocate

At CMIQ we believe in quality over quantity. There is no other person like you. Each client has individual needs and one size does not fit all. Our longstanding global network of professionals including attorneys, accountants, investment advisors, bankers, insurance specialists, and technology experts help you solve whatever financial issue you may face. We have the resources to organize your financial life.

ADVISORS

We are your resource partner

CMIQ is an independent Investment Advisory firm. As an advisor you have the flexibility to advise the way you want. You are the brand. CMIQ's network allows you to say "yes" when clients ask for more than you can provide alone.
