

# ASPEN PARTNERS

*A Thoughtful Approach to Investor Portfolio Diversification*

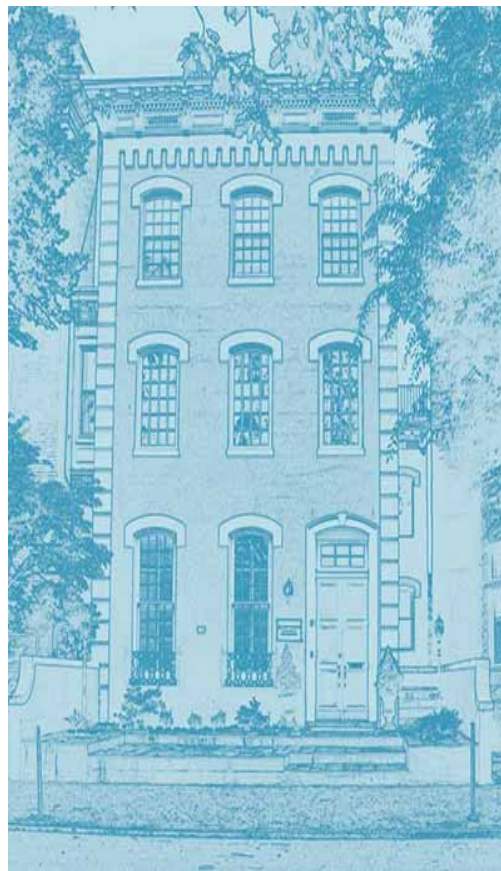

HOME | OUR TEAM

Who We Are

Aspen Partners, Ltd. was founded in 1996 to provide alternative investment strategies to financial professionals seeking better diversification opportunities for client portfolios. Aspen is independently owned, and registered with the SEC and CFTC.

What Our Goal Is

Our goal is to provide investment strategies and techniques designed to respond to changing market conditions with low correlation to traditional assets.

We believe that diversified market exposure assists in obtaining long-term investment objectives in today's challenging investment environment.

We have partnered with many of today's leading investment advisors to provide ongoing education on alternatives and unmatched client support.
