Creating hard working investment strategies, so you can be prepared

Our philosophy is simple.
We're committed to you, our client.

Whether you're starting a family or about to retire, building a business or building a nest egg, McDonald Partners creates hard-working investment strategies, so you can be prepared – wherever you are in life.

McDonald Partners is a family and employee-owned investment boutique. We have been putting our principles into action across generations, implementing a holistic approach to our client-focused services through our Financial Planning Process (</products-and-services/financial-planning/>). This proven investment process helps our clients attain their goals, while building and preserving their future.

Our advisors offer a wide array of products and services to fit your business or personal needs. These are customized and built to accommodate your ever-changing lifestyle and goals.
