Performance quoted represents past performance which is no guarantee of future results. Current performance may be lower or higher than what is stated. Investment return and principal value will vary with market conditions so that an investor's share, when redeemed, may be worth more or less than the original cost. For current to most recent month-end performance, please call us at 1-888-711-2837. The Fund imposes a 1% redemption fee on proceeds redeemed or exchanged within 7 days of purchase. The performance illustrated does not include the effect of the redemption charge. If it did, performance would have been lower.
