

## Welcome

Arque Advisors is a Registered Investment Advisor to institutional and high net worth investors. The firm and its affiliates develop and manage proprietary funds and offer investment management and consulting services. Currently the firm is most active in investing in risk controlled equity investments, as an early stage investor in hedge funds and in various private investments.

## Philosophy

Arque's investment philosophy is to ensure our client's preservation of capital and to provide a consistent attractive risk-adjusted return. To this end, Arque strives to offer alternative investment strategies with low volatility, stable returns, high collateral coverage and modest leverage to enhance returns. We believe in providing full transparency through technology, auditors, third-party administrators, collateral custodians and open communication to our investors.

## Welcome

Arque's affiliate companies work together to provide our clients with specific expertise.

Arque Advisors has two affiliates:

- Arque Certificate Management
