

Welcome To Emerson Wealth Management

Emerson Wealth Management is an independent Wealth Management firm offering Financial Planning, Investment Management, and related services.

As an independent firm, our objectivity and integrity ensure that our recommendations and advice are based on one thing - what we believe is best for you. Our clients know that with one phone call they will receive assistance with any and all aspects of their financial lives. Our goal is to make your financial life easier, thereby allowing you to pursue your other interests.

Our strength is in our deep client relationships. We listen carefully and work with you to clarify your goals and objectives. This allows us to construct a comprehensive plan that will effect the happiness, prosperity, and well-being of you and your family.
