

## Independent | Disciplined | Experienced

As a partner-owned firm, our independence is our greatest strength. Sawyer Falduto does not suffer from the bias that comes with being tied to a particular brokerage firm or mutual fund company.

Our partners are the decision-makers—the same people that meet with you regularly—making us more responsive to your needs, changes in the economy and demands of the markets.

The partners of our firm are skilled in delivering outstanding customized services to the Illinois Police and Firefighter Pension Fund community.
