We are an Institutional Growth Manager

Silvant Capital Management is an Atlanta-based institutional investment manager specializing in managing growth equity portfolios. Our team is experienced, diverse, highly competitive and passionate about growth investments. We strive to provide our clients with excellent services and investment results. We offer four distinct growth equity strategies:

- Concentrated Large Cap Growth
- Large Cap Growth
- Large Cap Core Growth
- Small Cap Growth

We manage assets for institutional investors, including large corporations, not-for-profit organizations, public funds, endowments and foundations.

The team's combined experience within the financial services industry averages more than two decades, and professionals collectively hold 3 CFA charters, 4 MBAs, and 1 Ph.D.
