## Advocates for your financial well-being in retirement.

Advantage Investment Management (“AIM”) is a Registered Investment Advisory (“RIA”) firm founded to provide the investment resources and mechanisms needed for advisors to most accurately address their clients’ needs. As a wholly-owned subsidiary of Advantage Financial Group, AIM provides a tailored investment platform that not only assists in the delivery of concierge service for clients but also streamlines the process for advisors, making it more efficient for all parties.

We encourage you to look through our website to learn more about how AIM is the key to sophisticated investing.
