

# About Us

GML Capital LLP is a private investment advisory and management firm, specialising in emerging markets. GML was established in 1983 and since 1996 has advised and managed funds invested primarily in emerging market high yield credit, special situations and trade finance. The firm is owned by full-time GML personnel. The firm's London-based investment professionals have an average of more than fifteen years of investment experience.

GML acts as investment sub-adviser with discretionary trading authority to an emerging market trade finance fund and to the emerging market allocation of a high yield fixed income fund, each managed by City National Rochdale LLC. City National Rochdale LLC is a private U.S. investment manager, specialising in advising high net worth individuals. More information on City National Rochdale LLC is available [here](#)

GML Capital LLP is authorised and regulated by the U.K. [Financial Conduct Authority](#) and is a Registered Investment Adviser with the U.S. [Securities and Exchange Commission](#).

GML is headquartered in London and has representative offices in Kiev (opened 1993), Moscow (1994), Genoa (2000) and Tbilisi (2008). Personnel in GML's overseas offices source, analyse and monitor investments and provide intelligence on local financial markets and economic conditions.
