

## Financial Services

In life and business, there are two cardinal sins. The first is to act precipitously without thought and the second is to not act at all.

- Carl Icahn

## Welcome to Malaga Cove Capital

We believe managing your wealth, doing it right, is a full time job.

We are an investment firm.

We are not financial planners or a financial supermarket. We do not outsource our clients' investments to a third party, and we do not invest part time.

We believe managing your wealth, doing it right, is a full time job. This focus, plus over 50 years of combined experience, solid independent research, and a personal team approach to investment guidance are necessary to building and preserving wealth.

If interested please email or call us on 310-421-2141.
