

## WELCOME

Florek Financial is a private wealth management firm located just south of Boston, in Duxbury, Massachusetts. Partnering with individuals and multi-generational families, we offer a unique, multi-disciplined approach to sustaining and growing long term wealth. Results are achieved by providing sophisticated financial and investment planning in conjunction with estate and tax expertise.

Our mission is to become our clients' most trusted and capable financial advisor. To this end, our compensation is based solely on the advice we deliver. We do not sell products or receive commissions - giving our clients peace of mind that our interests are fully aligned with theirs. Please take a moment to review our services.
