[Important Disclosure](#)

Carroll, Alice seems to be lost in the woods, and her path becomes divided. Not knowing which path to take, she asks the Cheshire Cat, “Would you tell me, please, which way I ought to go from here? His response is perfect: “That depends on a good deal [. . .]

planning, right? WRONG! Over the years, we at Prism Advisory Group have had the pleasure of assisting a variety of corporate executives with their planning. These are generally people who have had success with accumulating assets but

. . . .

employed decorator and Bill a successful businessman. Bill and Ann were unable to have children of their own but informally adopted their niece and nephew. Providing for the “kids” added tremendous joy into their lives. Because [...]
