

Welcome to First Western Capital Management

We seek to provide strong risk-adjusted returns through a deep commitment to independent research.

First Western Capital Management

First Western Capital Management (FWCM) is an SEC-registered investment advisor and a wholly owned subsidiary of First Western Financial, Inc. Throughout our history, we have consistently sought to provide our diverse clientele with customized solutions to enable them to reach their investment

goals. Providing access to our entire investment team and transparency to our process, we continually strive to deliver portfolios with above-market returns and below-market risk.

Our Services at a Glance

Foundations

Building solutions to help foundation boards meet their charitable giving goals.

Endowments

Balancing near-term operating needs with long-term growth goals through objective based management.

High Net Worth Individuals

Customizing portfolios designed to meet individual and family objectives.

Pension Plans

Providing comprehensive portfolio management and allocation solutions to meet long-term growth and risk objectives.

Our Strategies

First Western Capital Management has well-developed expertise in fixed income, total return, and opportunistic strategies, each of which is available as a stand-alone strategy. Our methodology combines top-down and bottom-up analysis to determine sectors and securities that we believe offer the most attractive risk-adjusted returns over complete market cycles. With personalized service, we create innovative and customized solutions for our clientele. By understanding your needs, we can assist you in developing the appropriate asset mix to help you meet your objectives.
