Experienced Partners in Media, Entertainment and Communications

Shamrock Capital Advisors is a Los Angeles based investment firm with a rich history of investing in the media, entertainment and communications sectors. We use our proprietary network of relationships and deep industry vertical knowledge to identify companies with significant value creation potential for investment. Currently, Shamrock has approximately \$1.5 billion of assets under management.

Our success is predicated on its experience and depth of knowledge in its target sectors. Shamrock sits in the heart of one of the largest media, entertainment and communications markets in the world. The firm traces its roots back to 1978, when the predecessor firm was founded as the investment company for the late Roy E. Disney. Over the years, Shamrock has invested in a broad spectrum of lower middle market companies across the media, entertainment and communications landscape. With over 35 years of investment experience, we are able to provide our portfolio companies valuable insight on strategy and operations, and access to our vast network of relationships within our target markets.
