What can you do on WordPress.com?

WordPress.com gives you everything you need to create anything you want. It's flexible, secure, and powerful, just like you want your business to be.

Build a fan base.

Promote your products, use advanced statistics and SEO tools, and connect with built-in audiences on social media to grow your business.

Open a store.

Process payments, configure taxes and shipping, build a marketing plan—you make the widgets, we'll make the website.

Start a blog.

Everyone has a point of view. Make your mark online with the world's greatest blogging tool, and join a community millions strong that's waiting to hear what you have to say.

Design a portfolio.

Thousands of themes means there's a layout that's just right for you, while storage and design options ensure you can upload anything you need to and give your work the stage it deserves.

An innovative New York City hair salon.

“ I looked into what other bloggers whom I admired were using, and the Cadillac of platforms is WordPress.com, hands down. The themes are breathtaking — even the free ones! — and all of

the supporting infrastructure and information is top shelf.”
