Helping You Plan Your Financial Future

Learn More

”

Before you are a leader, success is all about growing yourself. When you become a leader, success is all about growing others.

— Jack Welch

FSC
WEALTH ADVISORS

Today's investment climate offers unprecedented opportunities.

Our mission is to help you take advantage of those opportunities by providing you with:

A clear understanding of your current financial status – as well as their future goals.

Multiple “What if…?” scenarios based on your unique goals and lives.

“A Business Plan for Life” (personalized guidance and leadership through these “What if…?” scenarios).

FSC
WEALTH ADVISORS

From financial management to investment and retirement planning, risk management and estate conservation.

We specialize in helping you develop a comprehensive, cohesive investment plan that fits your unique needs and enables you to meet both short- and long-term objectives.

FIRM

A Deep History In The Industry And Community

"

An investment in knowledge pays the best interest.

— Benjamin Franklin

FSC Wealth Advisors LLC was established to fulfill a commitment made to our clients at Faculty Services Corporation, our sister company that has worked with investors in the education market for over 30 years. We launched as an SEC Registered Investment Advisor in 2009, with a focus on helping our clients actively manage their investments. We firmly believe we have honored that commitment and will continue to do so.

The FSC Difference: Vision, Approach, And Service are the Pillars of Our Commitment to Clients

Focused on providing clarity, direction, and advice

[illegible]e is to lead [illegible] coach and work with clients to improve their lives, every day and in every [illegible] as we.

- Make it a priority to completely understand your personal & financial goals.
- Respond with a well-defined roadmap to achieve those goals
- Provide ongoing advice to adjust the roadmap as needs change.

Tactical & Value Strategies and Dynamic Analytics

Our *Dynamic Analytics* approach helps to make informed decisions with an active & quantifiable method that filters the noise with a:

- Mathematical based process that reduces risk and seek profit.
- System that is fluid yet regimented, disciplined, and based on real-world experience.
- Database tracks over 2,500 potential investments, looking for trends, while at the same time, calculating exit strategies for each investment.

Our Value Strategies are process driven as well based on:

- Asset allocation relative to risk tolerance.
- Value Calculation based on historical prices.
- Rebalanced monthly based on valuations.

White Glove Service Customized to Your Individual Needs

As an independent financial advisor, we're committed to providing tailored investment strategies and retirement planning for each of our clients.

- Together with our sister company, Faculty Services Corporation, we have been working with investors for well over 30 years
- We remain innovative in our approach to achieve the best possible outcome for each

and every one of our valued clients. We specialize in serving individuals, professionals, families, educators, and business owners.

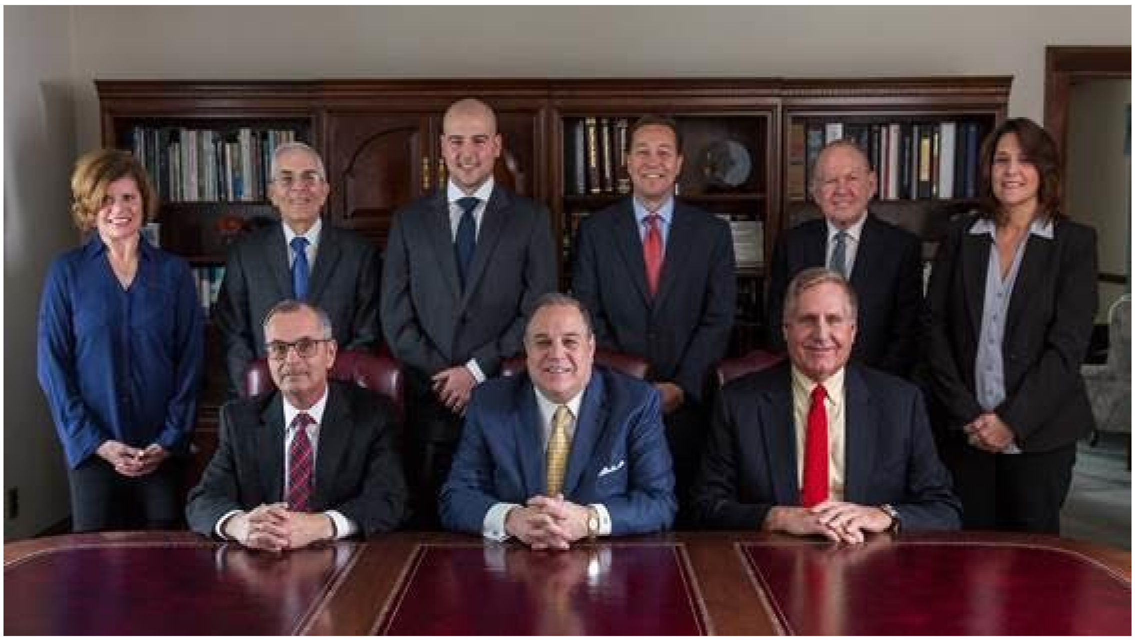
Ready For A Change?

Your Ideal Business Is Within Reach.

FSC
WEALTH ADVISORS



With all the changes that are happening at banks, wirehouses, and larger institutions, you may be peering over the fence at the independent model to see if it's right for you.

At FSC Wealth Advisors, we help advisors transition smoothly from a more captive environment to one that empowers and encourages you to be your best—and do what's in the best interest of your clients. Our primary goal is to improve every aspect of our advisors' lives. We will assist you to create and maintain a practice which reflects your vision.
