## *What We Do*

At SNW Asset Management, we focus exclusively on building and managing high quality fixed income portfolios in a customized, low-cost and tax-efficient way.

# Why SNW

## *Research Driven Fixed Income Specialist*

Our investment approach is based on a collaborative team environment, which is rooted in fundamental and quantitative research and is focused on performing at the highest level.

## *Customized Portfolios*

We customize our portfolios to best achieve the investment goals of each client. Customization options consider each client's state of residence, tax bracket and overall investment objectives.

## *Low-Cost Provider*

Research has shown that fees play a significant role in long-term total returns. We believe that offering low cost, actively managed strategies will help to achieve our clients' investment grade fixed income goals.

## *Exceptional Client Service*

Our clients' needs are at the center of it all. We have a dedicated team in place to ensure that we exceed all expectations.

## *Impact Focus*

We offer our clients the opportunity to align their mission with their investments, and to balance risk with an impact return.
