Your investment accounts work better  
when they work together

We guide your accounts to help you reach your goals sooner

The right investments in the right accounts

Your accounts should work towards all of your goals. We manage your investments holistically, to help ensure each account's benefits (e.g. tax deferrals or flexible investment options) are maximized.

## Financial Advisors and Service Specialists

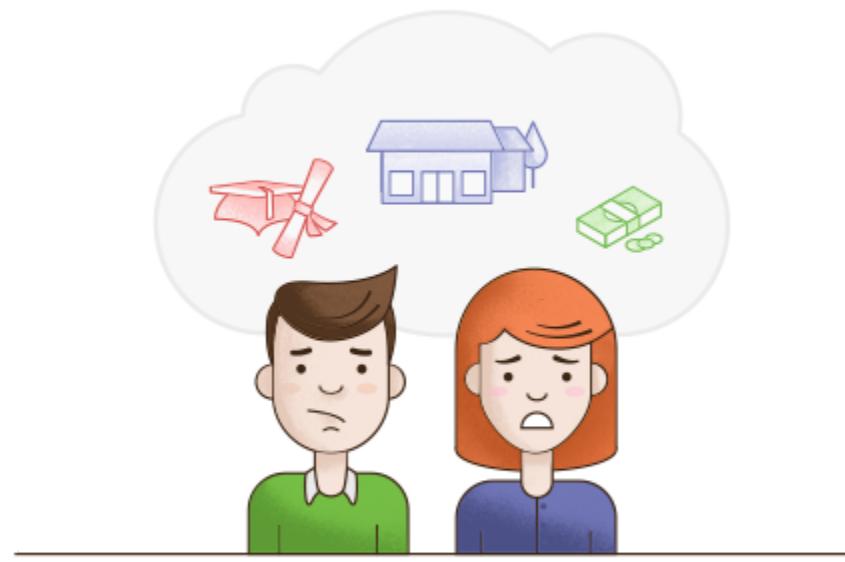

Whether it's a quick account question or a deep dive into foreign equity investment theory, our licensed advisors and service specialists are ready to help you understand what's going on in your portfolio.

## Automated wealth management

We leverage our proprietary algorithm to monitor trading and review your portfolio daily for tax-saving opportunities.

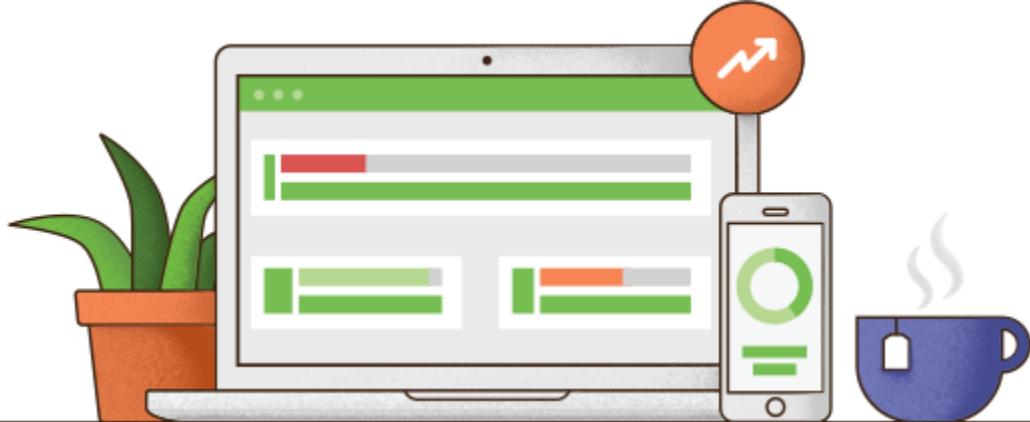

---

Your money stays with established institutions you know and trust

## 1. Gain a holistic view of your financial life by linking your investment accounts

Tell us the story of your current investments, taxes, time horizon, and goals. Our proprietary software links directly to your existing accounts, so our recommendations match up exactly to your holdings.

## 2. Get advice that considers your family, goals, and your accounts – together

Our recommendations are designed to provide a comprehensive, detailed plan to stay on track for all of your goals.

## 3. Your accounts stay in your name at a trusted custodian. We manage them as a fiduciary.

Ready to go? We put your interests ahead of ours as we manage your funds, and your money stays at major US brokerages.

Are you ready for intelligent investing?

Millionaires have been relying for decades on financial advice like ours: holistic, diligent and on your side. Isn't it time you did, too?

## FutureAdvisor

400 Howard St.

San Francisco, CA 94105

## Legal

Past performance is not indicative of future results. Hypothetical performance (such as back tested results or projected performance) does not reflect the performance of actual accounts and are not intended to serve as a guarantee of future results. Differences in account size, timing of transactions and market conditions prevailing at the time of investment may lead to different results, and clients may lose money. References to "free" services refers to the fact that FutureAdvisor does not charge an advisory fee or receive other compensation in connection with certain services. Clients should understand that they will still incur additional costs and expenses associated with investing, including the underlying fees and expenses of the funds in which they invest, trading costs and taxable gains/losses associated with their investments. The tax loss harvesting strategy discussed should not be interpreted as tax advice and it does not represent in any manner that the tax consequences detailed will be obtained or that its tax loss harvesting strategy will result in any particular tax consequence. Clients should consult with their personal tax advisors regarding the tax consequences of investing. Read more about this in our full disclosure. SEC registration does not constitute an endorsement of the firm by the Commission or does not imply a level of skill or training. TD Ameritrade, Inc. is one of the firms that we use to custody our client assets. TD Ameritrade, FutureAdvisor, and the other entities named are separate and unaffiliated firms, and are not responsible for each other's services or policies. TD Ameritrade does not endorse or recommend any advisor and the use of the TD Ameritrade logo does not represent the endorsement or recommendation of any advisor. Brokerage services provided by TD Ameritrade Institutional, Division of TD Ameritrade, Inc., member FINRA/SIPC. TD Ameritrade is a trademark jointly owned by TD Ameritrade IP Company, Inc. and The Toronto-Dominion Bank. Used with permission. Fidelity Investments is an independent company, unaffiliated with FutureAdvisor. Fidelity Investments is a service provider to FutureAdvisor.
