

SILICON VALLEY IS HERE

WHAT WE DO

We're a multi-product asset management firm devoted to finding and aligning with the most dynamic, fastest growing businesses in the world—the companies we call "the stars of tomorrow."

RIGOROUS, SYSTEMATIC + REPEATABLE.

Idea Generation

Research + Analysis

Risk Management

Idea Generation

Where the forces of megatrends (as well as negatrends) intersect with the most promising growth themes to create the greatest investment opportunities.

WHO WE ARE

GSV STANDS FOR GLOBAL SILICON VALLEY

[Learn More](#)

WE WROTE THE BOOK ON GROWTH INVESTING.

GSV co-founder Michael Moe is well known and regarded as one of the world's preeminent authorities on growth investing. After successfully predicting the rise of Starbucks, Google, and other superstars, he authored the best-selling business book, *Finding The Next Starbucks*.
