

Live with purpose

BECAUSE LIFE IS
MORE THAN JUST
ACCUMULATING ASSETS.

Are we the right fit?
How to choose a
financial planner

Brown Financial Advisory is a fee-only fiduciary firm in Fairhope, AL. Because we don't receive commissions on the products or services we recommend, you can be confident that the financial planning and asset management service you receive always has your best interest at heart. You will receive full disclosure of our compensation, and you will never worry about commissions, loads and other punitive fees.

Along with truly objective advice our clients tell us what they appreciate most is the way we deliver our service. We help our clients live with more purpose – focusing on the most important things – because life is more than just accumulating assets.
