

SIGNIA: IN TUNE WITH YOU (ABOUT-US/#CASE-STUDIES)

Signia is a private investment office that finds fresh but secure ways to manage money so that entrepreneurs can enjoy their wealth.

We create investment strategies that work for individuals and institutions.

**“We enjoy working with successful people, creating and managing
global investment portfolios.”**

CARNEGIE SMYTH, CEO

Our clients are entrepreneurs who value independence. We respect that and provide a personalised service to meet individual objectives.

By meeting your needs, by being serious about your money, we establish good relationships. We think you'll enjoy working with us.

IT CAN BE ENJOYABLE

We're not vast in scale. We're small enough to know our clients well, so we have informed conversations rather than academic lectures. It's all based on experience and understanding, with the belief that you want to enjoy your money, not worry about it.

IT SHOULD BE MEANINGFUL

You've created wealth. Now you want to do the best you can with it, something that satisfies all your instincts. With your wealth comes responsibility, and we make every effort not only to grow your investments but to understand what you really want to achieve with them.

OUR SPECIALISMS

MULTI-ASSET INVESTMENTS > (WE-ARE-SIGNIA/MULTI-ASSET-INVESTMENTS/)

We think long-term – that achieves the best results. So we manage long-only investment portfolios and we stick to guidelines agreed with you.

HEDGE FUND INVESTMENT > (WE-ARE-SIGNIA/HEDGE-FUND-INVESTMENT/)

If you seek attractive risk adjusted returns, we use our expertise to consistently deliver this for you.

CASH MANAGEMENT & DEBT > (WE-ARE-SIGNIA/CASH-MANAGEMENT-AND-DEBT/)

Cash and debt need to be managed well. We consider both alongside your other investments.

PRIVATE CAPITAL > (WE-ARE-SIGNIA/PRIVATE-CAPITAL/)

Intellectual capital can be just as important as investment. Our clients appreciate that we bring them together to make the best deals.
