

OVERVIEW    INVESTMENT STRATEGY    PORTFOLIO COMPANIES    FOR INTERMEDIARIES  
FOR BUSINESS OWNERS    TEAM

**HCI Equity Partners** is a private equity firm which invests in growth oriented industrial product and service companies. The members of the Firm partner with owners and managers of industrial companies, with a focus on assisting with operational improvements and supporting growth initiatives. The HCI Equity team has extensive experience in both private equity investing and operational leadership. Five of seven principals have been Chief Executive Officer, President or Chief Financial Officer of an industrial company during their careers. Their combined experience enables HCI Equity to have a deeper understanding of industry sector trends and business fundamentals, and enhance performance of the companies in which it invests. The team focuses on building solid relationships with proven management teams and supporting them in the execution of their strategies.
