## THE 2019 LONG ISLAND POWER 100

By City & State Recognizing the 100 most powerful people on Long Island. Long Island isn't short on political clout. The region has its share of high-profile New York power brokers, from Rep. Pete King to state Comptroller Thomas DiNapoli. The island long held outsized sway in the state Senate, with Republican leaders like Dean Skelos and John Flanagan controlling the upper house in recent years and upsets on the island paving the way for Democrats to seize control of the chamber in 2018. The elected executives of Nassau and Suffolk counties – hailing from different parties at ti [...]
