

SEAFARER OVERSEAS GROWTH AND INCOME FUND

## Portfolio Briefing – Second Quarter 2019

June 2019 - Paul Espinosa discusses the performance drivers of the Growth and Income Fund, and how they differed from those of the benchmark index. When performance contribution is viewed by country, China was a positive contributor to Fund performance, while it was the largest detractor to index performance.

#### The Evolution of China's Bond Market

March 2019 - The rapid development of China's domestic bond market, now the third largest in the world, represents a significant step in the opening up of the country's capital markets.

## Field Notes

## Seoul – Companies Find Growth Overseas

First Quarter 2019 - Facing a competitive domestic market, nimble Korean companies find

growth overseas.

## Tbilisi – Georgia Embraces Transparency

Fourth Quarter 2018 - After a dark past, Georgia is embracing transparency. It is noticeable in

corporate governance structures, as well as Tbilisi's skyline.

ALFS DISCIBUTORS, ITIC. IS THE DISCIBUTOR FOR THE SECTION OF THE SECTION OF THE DISCIBUTORS.
An investment in the Funds involves risk, including possible loss of principal. International investing involves additional risks, including
social and political instability, market and currency volatility, market illiquidity, and reduced regulation. Emerging markets are often more volatile than
developed markets, and investing in emerging markets involves greater risks. Fixed income investments are subject to additional risks, including but not
limited to interest rate, credit, and inflation risks. Value investments are subject to the risk that their intrinsic value may not be recognized by the broad
market. An investment in the Funds should be considered a long-term investment.
