Disclaimer

This webpage contains important legal and proprietary information concerning Open Door Capital Group, its affiliates (collectively known as "Open Door") and its funds. Before proceeding, please read the following disclaimer statements.

By clicking the "**I AGREE**" button below, you are deemed to be representing and warranting that (1) you have read and understand the information contained in this page and accept the terms and conditions contained herein, (2) the applicable laws and regulations of your jurisdiction allow you to access the information on this webpage, (3) you are duly authorized to access this webpage for the purpose of acquiring information, and (4) you or any other person or entity you represent initiated the discussion, correspondence or other communications with Open Door or its representatives, which resulted in your requesting access to Open Door's website and the information regarding its funds, and none of Open Door or its representatives at any time directly or indirectly contacted you with respect to the provision of investment advisory services or investment in an Open Door fund prior to such unsolicited initiation of discussions, correspondence or other communications.

The information on this webpage is not intended for persons located or resident in jurisdictions where the distribution of such information is restricted or unauthorized. No action has been taken to authorize, register or qualify any of the Open Door funds or otherwise permit a public offering of any Open Door fund in any jurisdiction.

To the best of its knowledge and belief, Open Door considers the information contained herein as accurate as at the date of publication. All

Please click "I AGREE" if you confirm and agree with these conditions.
