## GROW VALUE THROUGH EARNINGS

We partner with entrepreneurs and families to invest in sound businesses and provide them with significant strategic, operating, and analytical assistance to accelerate the growth of the company through organic initiatives and acquisitions.

**ALAN MENDELSON**

CEO and President, Plasco  
ID

“We went through a very competitive process and chose to partner with BV because of many intangibles that you don’t find with most PE firms. They are highly responsive, practical and thoughtful in their approach and have proven to be true partners to our management team and business. Our partnership has been highly beneficial and has allowed us to grow our business significantly in a short period of time.”

Investment team with over  
**201YEARS**  
of cumulative investing and  
operating experience

Generated over  
**\$6.3B**  
of value

Invested in  
**97**  
platform companies across 9  
funds
